

AED Fundraiser

Have a Heart... Show the library some
LOVE!

The Ringwood Public Library would like to purchase an AED (Automated External Defibrillator) to keep on hand in the event of an emergency at the library.

*According to The American Red Cross, “For each minute defibrillation is delayed, the chance of survival is reduced approximately 10%”.

*Please support this fundraiser by purchasing a heart to declare your love for the Library, write your name or message on it, and we’ll post it in our display!

*Minimum suggested donation \$2/Hearts on sale at the Front Desk

*All proceeds go toward the purchase of an AED for the Library
